

Monter Capital hosts AMG Global

Monter Capital Partnership Limited had the privilege of hosting AMG Global - the representatives of private investor groups from Zambia, at the offices in Mauritius last week.

Dr. Brian Malambo and Mr. Lulumbi Njeleka, Monter Capital's Chief Executive Officer and Principal, respectively were joined by senior executives from AMG Global, Dr. Friday Nyambe and Mr. Pfumai Nyambe.

The parties engaged in interactive discussions with various stakeholders, as well as the Monter Capital Fund's administrators, Animo Associates' executives, Mr. Lovy Bundhoo and Mr. Vishal Gokool with the primary objective of exploring further opportunities for collaboration and synergies.

Monter Capital remains committed to driving innovation and excellence in the Private Equity space, forging meaningful partnerships that foster growth and create lasting and sustainable value.
